

Fellowship

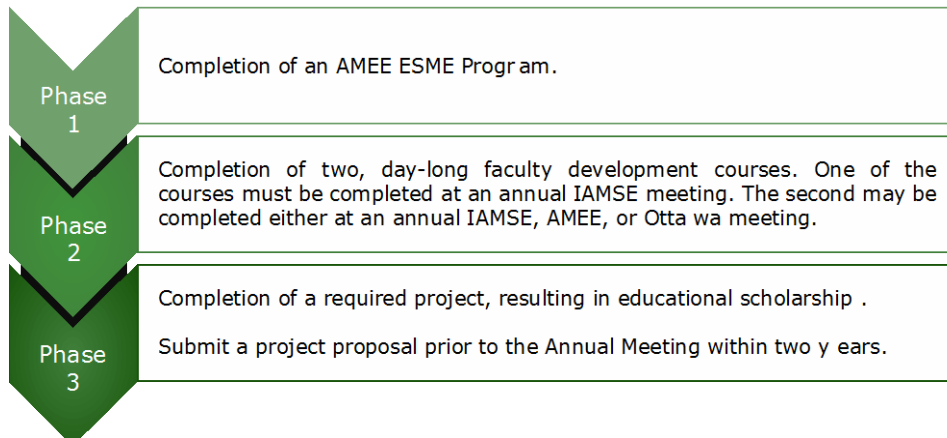

Medical Educator Fellowship

The International Association of Medical Science Educators (IAMSE) is pleased to offer the Medical Educator Fellowship. The Fellowship is composed of three phases that can be completed in 3 years, which includes completion of an Association for Medical Education in Europe (AMEE) Essential Skills in Medical Education (ESME) Program. The ESME program is offered several times a year at the AMEE Conference, Ottawa Conference, and the Annual IAMSE meeting. For additional information, contact Joe Stein at steinj@upstate.edu or visit us online at www.iamse.org.

Program Objective:

Through targeted professional development in key aspects of medical education, the goal of this program is to develop well-rounded medical education scholars with additional evidence of specialized achievement that enhances and supports career advancement.
