## Medical Educator Fellowship

The International Association of Medical Science Educators (IAMSE) is pleased to offer the Medical Educator Fellowship. The Fellowship is composed of three phases that can be completed in 3 years, which includes completion of an Association for Medical Education in Europe (AMEE) Essential Skills in Medical Education (ESME) Program. The ESME program is offered several times a year at the AMEE Conference, Ottawa Conference, and the Annual IAMSE meeting. For additional information, contact Joe Stein at [steinj@upstate.edu](mailto:steinj@upstate.edu) or visit us online at [www.iamse.org](http://www.iamse.org).

### Program Objective:

Through targeted professional development in key aspects of medical education, the goal of this program is to develop well-rounded medical education scholars with additional evidence of specialized achievement that enhances and supports career advancement.

## Fellowship Program Structure

## Fellowship Timeline\*

\*Fellows have up to 2 years to present their work.

## Application Requirements

Completion of the ESME course is required for enrollment in the IAMSE Medical Educator Fellowship. Applications to the Fellowship must be submitted by the IAMSE Annual Meeting Early Registration deadline via the Annual Meeting Registration Form. The Fellowship fee of \$500 USD includes the 3-hour Fellowship workshop and materials, as well as individual and group mentoring by the Educational Scholarship Committee. Payment is due in full by the meeting's Early Registration deadline. Refund requests must be received in writing one month prior to the course. No refunds will be made after that date.
